Class Title

Teacher

School

What is one thing you learned that you did not know before? What part of the lesson was most engaging or memorable?

Which activity, reading, discussion, or assignment helped you learn the most? Why?

If you were the teacher, is there something you might do to improve this lesson for future students?

Did this lesson change, deepen, or challenge your thinking about people, history, culture, identity, or another topic? If so, how?

Finish the sentence below.

After completing this lesson, I now think...

☐

I give permission for my teacher to anonymously share my reflection as part of the ESResources Curriculum Innovation Fellowship application. My name will not be published.
